VICTORIAN LEARN LOCAL PROFESSIONAL LEARNING PROGRAM | BY TOPIC

Categories

2021 VDC webinars and workshops have been categorised as either Introductory, Intermediate or Advanced to describe the level of content being presented in the training. The categories are aligned to the levels in the VET Practitioner Capability Framework (IBSA 2011). The level descriptions are provided to the right.

▲ Introductory

(New to the topic)
These sessions are aimed at practitioners that have a broad theoretical knowledge and practical experience of training and assessment; they operate independently and seek guidance when necessary.

● Intermediate

(Build on your existing Knowledge)
These sessions are aimed at practitioners that have specialised theoretical knowledge and practical experience of training and assessment; they employ a wide range of teaching and assessment methods and provide guidance and support to practitioners.

■ Advanced

These sessions are aimed at practitioners that have in-depth knowledge and established skills to shape a team's training and assessment practice; they inspire others, lead change processes and provide specialist advice and support.

- Thu, 2 Sep | 5.30pm – 6.15pm

Virtual Workshop: “Learn Local Learner Journey to Success” Professional Learning series for Learn Local/TAFE teaching and learning

The 2019 Ministerial Statement on the Future of Adult Community Education in Victoria 2020-25 calls for the Learn Local sector to support vulnerable adult learners in all settings to develop needed language, literacy numeracy and employability skills including digital skills.

Through the VET Development Centre (VDC), the Victorian Department of Education and Training (DET) funded “Learn Local Learner Journey to Success”- Professional Learning series to improve the capability and understanding of TAFE and Learn Local teaching and learning staff of their respective student groups and teaching environments.

BLENDDED LEARNING

Blended Delivery using a ‘plan/act/reflect’ model

These online sessions have been adapted from a full day workshop to a blended learning delivery by experienced VDC consultants. The blended delivery of this program will comprise of two 90-minute sessions and one-hour long session.
