JULY - OCTOBER 2024

ACFE BOARD FUNDED DIGITAL SKILLS PROGRAMS

ACFE IN-PERSON WORKSHOPS

VDC is pleased to bring you the FREE ACFE Learn Local Providers Program for 2024. This program will be delivered face to face at the VET Development Centre and is for educators involved with pre-accredited and accredited vocational education programs in Learn Local providers to ensure all their students succeed and progress to further study and/or work.

The program design for 2024 also aims to engage participants to develop networks with their peers who have similar needs in their Learn Local programs. The Professional Practice and Recognition Framework (PPRF) will be referenced at all training sessions to ensure Learn Local staff who develop and deliver Learn Local pre-accredited programs to adults understand its relevance and mapping to the training sessions.

DEVELOPING DIGITAL SKILLS WITH A BLENDED LEARNING APPROACH

This program will provide teachers with the opportunity to develop their approach to blended delivery and developing students' digital skills. Digital skills for work are defined as:

- communicating via email
- researching information online
- handling sensitive information in virtual ecosystems
- safely using cloud-based collaboration tools like GoogleDrive, Drop Box, and videoconferencing software.

Through participation in the program, teachers will develop a strategy to embed digital skills into their teaching practice to teach digital skills for work, such as:

- how to engage students to embrace digital technology
- how to upskill student to improve their digital literacy
- working and collaborating online
- teaching the fundamentals of using digital technologies with a blended learning approach.

Program format

1.5 hours online per week, over 4 weeks. Each week participants will take part in a 45 minute webinar followed by a 45 minute virtual workshop to embed digital skills development into their lesson plan. **This program begins Wednesday 31 July, 2024.**
